

TKE MOVE BEYOND

TK ELEVATOR

Company Overview Presentation

TK ELEVATOR

TK Elevator is a global leader in vertical transportation and urban mobility.

We provide engineering that keeps the world moving, from design to installation and maintenance on any brand of elevators, escalators, walkways, passenger boarding bridges, and home lifts and elevators – any place and any time.

With our digital solutions like AGILE and the IoT platform, MAX, there are no longer any limits to urban mobility.

TK Elevator became independent following its separation from the thyssenkrupp group in 2020.

The company achieved sales of around €9.2 billion in fiscal year 2024/2025.

With around 50,000 employees, 25,000 service technicians and over 400 branches globally, we are moved by what moves people.

TKE – MOVE BEYOND.
