

THE OUTDATED  
MANUAL DOOR  
CAN BE  
DANGEROUS FOR  
YOUR LOVED  
ONES. REPLACE  
IT TODAY.

Rampant fatal accidents, especially in case of kids and the elderly, have been reported across India due to old, outdated manual doors. The Manual collapsible Grill Gate & Swing Gate is hazardous for multiple reasons. They have critical safety concerns such as high risk of fatal entrapment and stumbling, difficult & stressful handling. Elevator Modernization Solution from TK Elevator (India), allows you to transform your outdated, risky doors into safer, quieter and easier to use automatic doors.

**Contact us today. Your safety demands it. Our technicians will perform a thorough inspection, free of charge, with no cost implications to you.**
