completed
2018

Installed products

11 **TWIN** systems

5 Elevators

4 Escalators

Service from:
2018

52 Lime Street, also known as “The Scalpel”, is a TKE success story that highlights innovation at its best: TWIN elevators with two independently operating cars in one shaft deliver superior flexibility and transport capacity, while custom-designed velino escalators with flat, square front skirts showcase how TKE turns architectural vision into engineered excellence.
