

IMOLA, ITALY

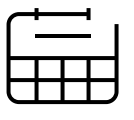

Autodromo Internazionale Enzo e Dino Ferrari

Entertainment

Historic Imola
Formula 1 circuit

Installation
completed 2023

Installed products

3 Elevators

Service from:
2023

TK Elevator proudly delivered these bespoke elevators at the Autodromo Internazionale Enzo e Dino Ferrari, featuring iconic "Ferrari red" glass and exclusive control panels. The elevators will serve the new pedestrian walkway built above the racetrack pits and will enable spectators, particularly VIP guests and journalists, to easily move between the press and race areas without passing through the paddock.
