## Service UuM

3.000 Elevators

Service from:  
2024

Third-party capabilities,  
powered by International Technical Services (ITS)

*TK Elevator has won a major service contract in 2024 with Denmark's SKI, covering the maintenance of around 3.000 elevators, including those in prominent locations like the Parliament and royal palaces. This multi-year contract highlights TK Elevator's service excellence and operational capacity*

**Customer:** State and Municipalities' Procurement Service (SKI)
