

MADRID, SPAIN

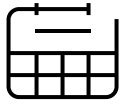

Adolfo Suárez Madrid – Barajas Airport

Airport

**Main
international
airport**

**New digital
solutions project
win 2025**

Installed products

79 Elevators

73 Moving walks

Service from:
2006

58 Escalators

81 Passenger
boarding bridges

129 Passenger boarding bridges connected and controlled with
MAX Automate

With 66.2 million passengers in 2024, the introduction of MAX Automate is set to transform both operational efficiency and the passenger experience. A simpler, safe, and well-managed airport environment ultimately benefits travellers by providing a more convenient and hassle-free journey.
