BVG – Berliner Verkehrsbetriebe

Transportation

Berlin's main public transport company

Installations since 1995

Installed products

More than 350 Escalators

* Service carried out by customer's service technicians after handover

Since 1995, TKE has been a trusted partner of BVG (Berliner Verkehrsbetriebe), the main public transport company in Berlin. Over the past three decades, this partnership has flourished, marked by the annual delivery of 12 to 15 victoria escalators. These escalators have become a vital part of Berlin's public transport infrastructure, ensuring smooth and reliable service for millions of passengers.
