Renewed service
2025

Service /UuM

76 Elevators (all connected with MAX)

329 Escalators

Service from:
2016

TKE's strong customer relationship delivered a major win with the successful renewal of a MAX Smart Maintenance contract. The agreement covers 405 TKE elevators and escalators under service, 76 of which are connected to MAX, our digital maintenance solution. Service began in 2016 and was renewed in 2025, reflecting the customer's long-term trust in TKE's innovation, reliability, and commitment to continuous improvement.
