Museum

Historical  
building

Installation  
completed 2023

## Modernized products

6 Elevators

Service from:  
2023

*Our main challenge was to integrate modern elevators into a very old building, designed at a time when elevators did not exist, without damaging the structure of the edifice. To address this technical challenge, TK Elevator designed custom-made shafts, fitted to the millimeter within the spaces of the château.*
