Modernized products

60 Elevators

20 Moving Walks

Service from:
2019

32 Escalators

Service / UuM

386 Units under maintenance including 3rd party equipment &

40 Units connected with MAX

Through two modernization phases, TK Elevator upgraded 182 units, improving uptime, cutting CO₂ emissions, and enhancing passenger flow. TKE maintains 386 units under service, including third-party equipment, and 40 units now use Max Plus or Multimedia monitoring, delivering seamless mobility at one of the busiest U.S. airports
