32 Elevators

8 Escalators

Service from:
2021

Located in Dongtan New Town of Hwaseong City, Dongtan IX Tower is an industrial knowledge complex that houses various businesses, dormitories, and commercial facilities. With major highways and high-speed trains (SRT, GTX) nearby, it offers convenient access to destinations across the country. From this location, it takes just over 20 minutes to reach Gangnam in Seoul.
