completed 2013

Installed products

37 Elevators

Service from:
2013

FKI Tower is located in Yeouido, Seoul, where National Assembly, offices, banks, and securities firms are concentrated. Thanks to its location, it offer excellent accessibility to major downtown areas, Gangnam, and the airports in Seoul. The Building's exterior features a unique glass structure inspired by the eaves of traditional Korean houses, hanok.

Architect: Adrian Smith + Gordon Gill Architects
