completed 2024

## Installed products

12 Escalators

Service from: 2021

*TK Elevator has successfully delivered and installed 12 victoria escalators for this major urban mobility project, completed in two phases, the first in 2021 and the second in 2024. With a strong focus on innovation, safety, and urban mobility, our solutions ensure reliable, high-performance passenger flow and long-term operational efficiency. This project underscores TK Elevator's commitment to shaping smarter, safer, and more accessible cities.*
