The Grand Cruise Terminal at Doha Port won first place in the Elevator World 2025 Project of the Year Award in the 'Escalator, New Construction' category. Aligned with Qatar National Vision 2030, it serves as a key attraction for cruise enthusiasts worldwide. Recognized by Forbes for its traditional Arab design, it enhances tourism and restores Doha's historic maritime connection. In the 2023-24 cruise season, visitor numbers increased by 38% and ships serviced rose by 33%. TKE plays a pivotal role in efficiently managing this surge in passenger traffic.
