Modernized Products

12 Elevators

Service from: 2020

2 Escalators

Elevators equipped with **AGILE** Destination Controls and all units **MAX** connected

Ecolab's Minnesota headquarters faced accessibility challenges due to an outdated vertical transportation systems. In 2020, TK Elevator modernized 12 elevators and 2 escalators with MAX connectivity and AGILE Destination Controls. This upgrade improved reliability, reduced delays, and ensured inclusive access for all users, transforming a vintage tower into a modern, efficient workplace.
