Ski Lodge “Da Sepp”

Entertainment

1.859m above
sea level

Installation
completed 2025

Installed products

1 EOX Elevator

Service from:
2025

TK Elevator delivered a tailored vertical mobility solution for “Da Sepp” ski lodge in Schladming, Austria. Despite challenging conditions at 1,859m altitude and ongoing operations, TKE installed a compact EOX elevator with a sleek grey cabin. A 5-year service contract ensures reliable performance at this iconic alpine destination.
