Completed 2011

Installed products

18 Elevators

14 Escalators

18 Moving walks

Service from: 2011

Top Ryde Shopping Centre is one of Sydney's major retail hubs, redeveloped in 2010 to include six levels of retail, dining and services. The multi-level atrium design and high footfall areas rely on a comprehensive TKE mobility solution, with 18 MRL elevators, 14 escalators and 18 moving walks ensuring efficient passenger flow throughout the complex.
