

MANNHEIM, GERMANY

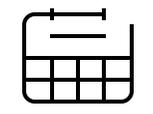

Telecommunications tower

Entertainment

218 m & 5 floors

Modernization completed 2023

Modernized products

2 Elevators

Service from: 2023

As part of the 2023 modernization, TK Elevator upgraded the elevators in Mannheim's iconic 218-meter telecommunications tower. With cutting-edge control and drive systems, the project ensures smooth, energy-efficient, and reliable vertical transport. The result is a modern elevator that blends historical architecture with modern mobility enhancing comfort, safety, and accessibility for all visitors.
