Former colliery

Installation
completed 2006

Installed products

2 Escalators

Service from:
2006

TK Elevator installed two custom-built weather-proofed escalators in 2006 at the Zeche Zollverein Museum, Essen, Germany, with a 23.33-meter rise. Their striking orange livery, paired with black, symbolizes fire and coal, creating a visual highlight at this iconic colliery site.
