ISSUE 20

IT'S
"SPOOKY SEASON!"
HAPPY Halloween!

HALLOWEEN IS ALWAYS SUCH A FUN TIME OF THE YEAR! SCHOOL IS IN FULL SWING, THE WEATHER IS GETTING COLDER AND IT WILL SOON BE TIME FOR CANDY! IT'S SO FUN DRESSING UP AS OUR FAVORITE CHARACTERS, TOO. BUT IT IS IMPORTANT TO BE SAFE. WHEN PUTTING TOGETHER YOUR COSTUMES, THINK OF BRIGHT COLORS SO YOU CAN BE EASILY SEEN WHEN IT IS GETTING DARK DURING TRICK-OR-TREATING.

WHAT IS YOUR COSTUME GOING TO BE THIS YEAR?

LET'S COLOR!

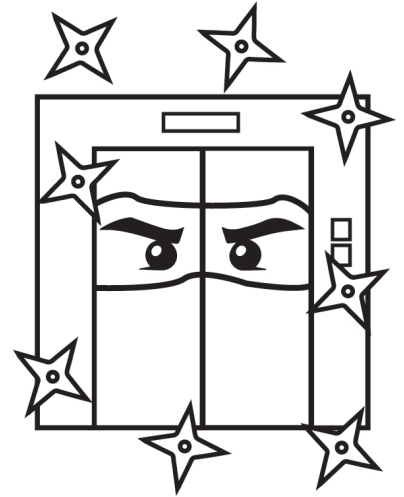

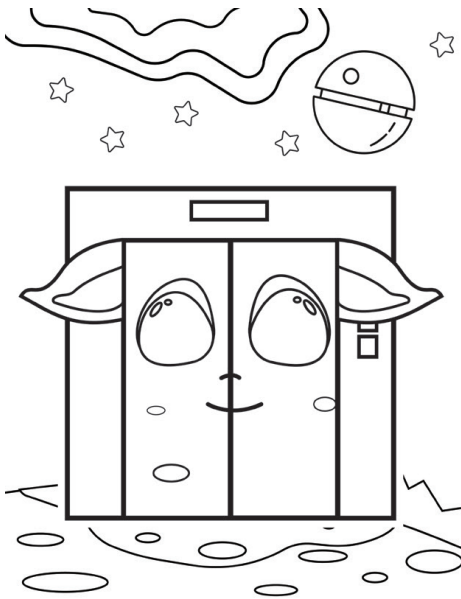

Scan above or click here to find and print all of the coloring sheets on our Safety Ambassador site!

Everyone should be able to wear a Halloween costume -
EVEN AN ELEVATOR!

We picked some costumes, but we need help choosing the colors. Pick your favorite (or all of them!) and have fun coloring them in.

Email your pictures to communications.na@tkelevator.com.
We might post them on social media!

SAFETY TIP!

KEEP SCARY GERMS AWAY

IT'S EASY TO GET SICK THIS TIME OF YEAR, SO REMEMBER TO WASH YOUR HANDS OFTEN TO HELP AVOID SPREADING GERMS.

FUN FACT

EARLY ELEVATORS WERE CONSIDERED "MOVABLE ROOMS." THEY FEATURED CHANDELIERS AND ELABORATE FURNITURE AND CARPETING. YOU PROBABLY COULDN'T GO TRICK-OR-TREATING IN THEM, THOUGH.
